#### BookPage Notable Title

When Work Pickens finds his father murdered, the investigation pushes a repressed family history to the surface, and he sees his own carefully constructed facade begin to crack. ...[More](#)

### Plainsong

By *Haruf, Kent*

1999-09 - Alfred A. Knopf

9780375406188 [Check Our Catalog](#)

A heartstrong story of family and romance, tribulation and tenacity, set on the High Plains east of Denver.

In the small town of Holt, Colorado, a high school teacher is confronted with raising his two boys alone after their mother retreats first to the bedroom, then altogether. A teenage girl -- her father long since disappeared, her mother unwilling to have her in the house -- is pregnant, alone herself, with nowhere to go. And out in the country, two brothers, elderly bachelors, work the family homestead, the only world they've ever known. From these unsettled lives emerges a vision of life, and of the town and landscape that bind them together -- their fates somehow overcoming the powerful circumstances of place and station, their confusion, curiosity, dignity and humor intact and resonant. As the milieu widens to embrace fully four generations, Kent Haruf displays an emotional and aesthetic authority to rival the past masters of a classic American tradition.

Utterly true to the rhythms and patterns of life, Plainsong is a

novel to care about, believe in, and learn from. ...More

## The Price of Guilt

By *Yorke, Margaret*

Read by *Lenska, Rula*

2002-08 - Chivers Audio Books

9780754055150 [Check Our Catalog](#)

When journalist Andrew Sherwood witnesses an assault on a woman, he is curious to find out more about her. Then she disappears. As it transpires, Louise Widdows is on the run from a tyrannical husband and moves into a vacated cottage, covering her tracks in case her husband tries to find her. Befriended by Andrew and his young son, Louise is drawn to the freedom so long denied, while Andrew is drawn to her by the mystery of her sudden flight and a secret he suspects she is hiding. ...More

## Above Suspicion

By *LaPlante, Lynda*

2004-06 - Touchstone Books

9780743284806 [Check Our Catalog](#)

Young detective Anna Travis has been assigned to her first murder case -- and it couldn't be a more shocking, more horrific set of killings. They began eight years earlier; now the body count is up to six. The method of killing is identical, the backgrounds of the girls very similar -- all of them were drug-using prostitutes. Then a seventh body is found, same modus operandi, but this time the victim is a young student, sweet and innocent, with "the face of an angel." The profile of the murderer has changed dramatically.

Anna stumbles on a vital piece of information that links one man to the killings. A household name, a much-loved actor who is about to become an international movie star -- he has plenty of charm and good looks. Denial and protestations of innocence spring easily and confidently to his lips. An arrest, in the face of intense publicity, would create media frenzy. If he was found beyond doubt to be the wrong man, his career would be finished and Anna's hard-fought-for reputation in the police force destroyed once and for all.

With absolute authenticity and extraordinary power, Lynda La Plante takes us deeper into the criminal mind and the criminal world. And in heroine Anna Travis, she has created another memorable and utterly engaging female detective.

[Browse Inside](#)

The three girls have been inseparable best friends since the third grade -- Josie, the athletic one; Perri, the brilliant, acerbic drama queen; and Kat, the beauty, who also has brains, grace, and a heart open to all around her. But their last day of high school becomes their final day together after one of them brings a gun to school to resolve a mysterious feud. When the police arrive, they discover two wounded girls, one so critically that she is not expected to recover. The third girl is dead, killed instantly by a shot to the heart. What is the survivor concealing? Is she trying to protect herself or someone else? Even the simplest secrets can kill -- and kill again if no one is willing to confront them. ...[More](#)
