12:30 p.m. Program**

**Arlon Bennett,  
Songsmith**

*Presents a*

**Program of Folk &  
Contemporary Music**

The beauty and simplicity of Arlon Bennett's music can be heard best on his latest release "The Watch Man." Reminiscent of an early James Taylor, Arlon Bennett has been recognized for his success as a performing songwriter in numerous prestigious songwriting competitions throughout the country. Arlon released his first album "Fountain of Dreams" in 1999. After his successes at the Kerrville New Folk Festival, the South Florida Folk Festival, and the New Jersey Folk Festival, Arlon Bennett made his sophomore debut with "The Watch Man" in 2001. Arlon's most recent release is "Summer's Voice" in 2007. Arlon Bennett's success is largely attributed to his honesty as a songwriter, his sense of humor and simplistic eloquence. His vocals are both romantic and inspiring.
