Carolyn Enger, Classical Pianist

Carolyn Enger, Pianist, is a wonderfully personal artist, whose playing is both moving and imaginative. In an era when musical interpretations has become predictable, Ms. Enger's unique sensibility cannot help but make a valuable contribution to the world of classical music. Her playing combines an exceptional commitment to excellence with unique insight, intelligence and sensitivity. She is universally admired by her colleagues and audiences receive her with great enthusiasm and warmth.

This program is sponsored, in part, by the Wayne Public Library & the Friends of the Wayne Public Library.

This program is funded, in part, by the Passaic County Cultural and Heritage Council at Passaic County Community College, through a grant from the New Jersey State Council on the Arts/Department of the State, a partner agency of the National Endowment for the Arts.
