The Masterpieces Of Mozart

Catherine Sprague is a pianist and presenter of Mozart's music and life. Her first program "This Is Mozart" has been given to dozens of libraries and cultural organizations throughout New Jersey. The program was presented here on May 23, 2007. She returned to us, almost one year later, to present her next program entitled "Mozart Masterpieces". Once again, she is here to present her latest program entitled "The Masterpieces of Mozart".

Catherine's interest in Mozart has been inspired through studies of Mozart's keyboard music with Russian master pianist Malvina Potop of Edison, NJ. From these studies and extensive readings into Mozart's life and times came the desire to share findings and observations with various audiences. Ms. Sprague has continued her studies of Mozart's life and has a book forthcoming.

This program is funded, in part, by the Passaic County Cultural and Heritage Council at Passaic County Community College, through a grant from the New Jersey State Council on the Arts/Department of the State, a partner agency of the National Endowment for the Arts.

This program is sponsored, in part, by the Wayne Public Library & the Friends of the Wayne Public Library
