Amelia

Rated PG for PG for some sensuality, language, thematic elements and smoking.

Runtime: 111 minutes

A look at the life of legendary American pilot Amelia Earhart, who disappeared while flying over the Pacific Ocean in 1937 in an attempt to make a historic flight around the world.

Starring Hilary Swank, Richard Gere and Ewan McGregor

"Amelia" is a perfectly sound biopic, well directed and acted, about an admirable woman. It confirmed for me Earhart's courage -- not only in flying, but in insisting on living her life outside the conventions of her time for well-behaved females. The next generation of American women grew up in her slipstream.
