

Not So Snow White **By Donna Kauffman**

Tess Hamilton was a top tennis player with attitude. She led a jet-setting life, was a media darling, had money to burn, and kept her family cringing. After a career-ending injury, all that's left is the attitude, and she's desperate for money. Max Fontaine has raised his sister, Gaby. Now 16, she's poised to become the new phenom in tennis. Concerned about Gaby's penchant for temper tantrums, Max sends her to Glass Slipper Inc. for some moderation training. Aurora, one of the Glass Slipper's godmothers, recommends Tess as a coach for Gaby. Who better to guide her than the original bad girl of tennis? Max isn't happy, but Gaby is ecstatic. And Tess slowly realizes that coaching isn't so bad. Max and Tess can't be in the same room without going for each other's throats, which, of course, is a cover for their attraction.

Strangers on a Train **By Patricia Highsmith**

The world of Patricia Highsmith has always been filled with ordinary people, all of whom are capable of very ordinary crimes. This theme was present from the beginning, when her debut novel, *Strangers on a Train*, galvanized the reading public. Here we encounter Guy Haines and Charles Anthony Bruno, passengers on the same train. But while Guy is a successful architect in the midst of a divorce, Bruno turns out to be a sadistic psychopath who manipulates Guy into swapping murders with him. "Some people are better off dead," Bruno remarks, "like your wife and my father, for instance." As Bruno carries out his twisted plan, Guy is trapped in Highsmith's perilous world, where, under the right circumstances, anybody is capable of murder.

Crooked Little Heart **By Anne Lamott**

Rosie Ferguson, in the first bloom of young womanhood, is obsessed with tournament tennis. Her mother is a recovering alcoholic still grieving the death of her first husband; her stepfather, a struggling writer, is wrestling with his own demons. And now Rosie finds that her athletic gifts, once a source of triumph and escape, place her in peril, as a shadowy man who stalks her from the bleachers seems to be developing an obsession of his own.

Crooked Little Heart asks big questions in intimate ways: What keeps a family together? What are the small heartbreaks that tear at the fabric of our lives? What happens to grief when it goes underground? And what road must we walk with our flawed and crooked hearts?

Brilliantly written, inhabited by superbly realized characters, funny and human and wonderfully suspenseful, *Crooked Little Heart* is Anne Lamott writing at the peak of her considerable powers.

Tennis, Anyone?

Life is like a game of tennis; the player who serves well seldom loses.

~ Anonymous

Love is nothing in tennis, but in life it's everything.

~ Anonymous

It's difficult for most people to imagine the creative process in tennis. Seemingly it's just an athletic matter of hitting the ball consistently well within the boundaries of the court. That analysis is just as specious as thinking that the difficulty in portraying King Lear on stage is learning all the lines.

Double Fault

By Lionel Shriver

"Love me, love my game" says twenty-three year-old Willy Novinsky. Ever since she picked up a racquet at the age of four, tennis has been Willy's one love, until the day she meets Eric Oberdorf. She's a middle-ranked professional tennis player and he's a Princeton graduate who took up playing tennis at the age of eighteen. Low-ranked but untested, Eric, too, aims to make his mark on the international tennis circuit. Willy beholds compatibility spiced with friendly rivalry, and discovers her first passion outside a tennis court. They marry. Married life starts well but animated shop talk and blissful love-making soon give way to full-tilt competition over who can rise to the top first. In this captivating book, Shriver dissects the hazards of a two-career relationship in this brilliantly perceptive novel about the price both men and women pay for prizing achievement over love.

The Tennis Party

By Madeleine Wickham

At their country estate, Patrick Chance and his wife host a weekend tennis party of six (two couples, plus a widower and his daughter) that "comes to an unseemly end." Serving as a catalyst for the debacle, the unprincipled Patrick tries unsuccessfully to peddle a financial fund to the superwealthy Charles Moby, then cons Stephen Fairweather, a floundering doctoral student, into mortgaging his home to make the same investment. While the couples' children amuse themselves with pony rides and rehearsals for a play, the adults suffer a series of personal revelations and crises. These stem not only from Charles's self-serving schemes but from the unexpected arrival of Charles's ex-lover, Ella Harte, to whom Charles is still attracted, as well as from an unexpected financial threat. In this light, fast-paced novel ... Wickham deftly shows at every turn that matters may not be as they seem, but that one truth can be relied upon: money corrupts.

Drop Shot

By Harlan Coben

Valerie Simpson is a young female tennis star with a troubled past who's now on the verge of a comeback and wants Myron as her agent. Myron, who's also got the hottest young male tennis star, Duane Richwood, primed to take his first grand slam tournament, couldn't be happier. That is, until Valerie is murdered in broad daylight at the U.S. Open and Myron's number one client becomes the number one suspect.

Clearing Duane's name should be easy enough. Duane was playing in a match at the time of Valerie's death. But why is his phone number in Valerie's black book when he claims only to have known her in passing? Why was she calling him from a phone booth on the street? The police stop caring once they pin the murder on a man known for having stalked Valerie and seen talking to her moments before the murder. But Myron isn't satisfied. It seems too clean for him.

The truth beneath the truth is not only dangerous, it's deadly. And Myron may be the next victim.

Choke

By Stuart Woods

Chuck Chandler has choked on more than one occasion--first as a pro tennis player at Wimbledon, then as a womanizing coach at posh tennis clubs around the country. Now at Key West's Old Racquet Club, Chuck gets involved with the wrong married woman—the enticing Clare Carras, married to an enigmatic older man—and soon he is in way over his head. Enter Tommy Sculley, a retired New York homicide detective who has just joined the Key West force, and his young green partner, Daryl Haynes, who turns out to be smarter than he looks. Up to their necks in an investigation of a bizarre apparent homicide, the two detectives barely keep afloat in murky waters. Events take them from the Florida Keys to Los Angeles and back, as a plot emerges that involves not only the dangerous Clare, but a furious West Coast mob boss determined to get back what is his at any cost.

A Detective in Love

By H.R.F. Keating

British author H.R.F. Keating has long been recognized for his willingness to experiment with the conventions of detective fiction. A number of his recent novels, for instance, have addressed the motives and lifestyles of his sleuths as much as they have crimes. He continues that pattern with *A Detective in Love*, in which Harriet Martens--the so-called Hard Detective--is undone by her passion for a colleague with whom she probes the slaying of curvaceous teenage tennis star Bubbles Xingara.

The "Brit with a Hit," as Bubbles's American fans know her, has been found on her Leven Vale estate, stabbed through the throat. Due to this victim's prominence and the shorthandedness of the local police, Detective Superintendent Martens is seconded from adjacent Birchester to take charge of the case. Her best suspect may be a "shambling mess of a man" given to exposing himself. Other likely murderers include Bubbles's secretary, a once-wealthy classmate involved with the decedent's stepfather; a French gangster whose affections Ms. Xingara too publicly rebuffed; and a computer geek who hoards Bubbles images from the Internet. As weeks pass without a breakthrough, however, Martens worries for her future with this investigation as well as her ability to resist Anselm Brent, a country constable of dubious talent, who nonetheless makes the hardened Harriet go all soft inside.
