Basic Preservation of Family Archives and Paper-based Memorabilia

Starts on Thursday, April 23rd at 3pm (biweekly)

Do you have an item in your family archives that you want to preserve and don’t know how? Join our biweekly Zoom Q & A and learn how to preserve family documents, photographs (framed and film) and/or memorabilia. Ask about all the paper-based items that are found in your family archives. For more information please email Janette @ pardoj@waynepubliclibrary.org
