How many loans am I allowed?
Wayne residents are allowed (4) eBook loans.

How many holds am I allowed?
If a title is not available to borrow, residents of Wayne, NJ may place it on hold. You can place up to (2) eBook titles on hold at a time. You’ll receive an email notification when a title you placed on hold becomes available. Once the email is sent, you’ll have 3 days (72 hours) to borrow the title before your hold is cancelled.

How do I view the status of my loan?
You can view the status of a public library book for Kindle from the Manage Your Kindle page. Click on the "+" symbol next to any title to view more details about any book that you’ve borrowed including the expiration date.

Will I be notified before my public library book loan expires?
Yes. Three days before the end of the loan period, Amazon will send a courtesy reminder e-mail about the loan expiration. Once the loan period has ended, an additional e-mail notification will be sent. Please note: not all eBooks offered through PALS Plus NJ OverDrive are available in the Kindle format.

Can I return a book before its due date?
Yes. Kindle books can be returned early. Sign in to your Amazon account and click on Manage Your Kindle. You will see a list of eBooks purchased from Amazon and eBooks borrowed from the public library.

Click on the “Actions” button that is on the same line as the name of the eBook you want to return; a drop-down menu will appear. Click on “Return this book.”

Click “Yes” to confirm that you’d like to return the eBook to the library. (The screen may take a few seconds to refresh).

Are Kindle Books automatically removed from my Kindle?
Once the lending period for a Kindle Book ends, it will expire, returning it to the library. Expired titles cannot be opened, but you can remove them from your device.
Once a Kindle Book has been removed from your device, you can also remove it from "Your Content" tab on the "Manage Your Contents & Devices" page. This removes the title from your "Archived" items the next time you sync.
